DEPARTMENT OF PUBLIC WORKS

Three Draft Concept Plans for the proposed Herndon Parkway/Van Buren Street Intersection Improvements have been prepared by a consulting firm to provide improvements to this intersection. The Department of Public Works is interested in your comments and opinions.

Of the three concepts presented at the July 17<sup>th</sup> meeting, which do you prefer?  
(CHECK ONLY ONE)

	Option 1: Additional Northbound Right Lane and Lengthen Westbound Left Lane
	Option 2: Westbound Dual Left Lanes and Northbound Dual Right Turn Lanes
	Option 3: Roundabout (2 lanes)

Please list reasons for choosing your preferred alternative:
